4-Kalidas Road,  
Dehradun-248001.

## Product Implementation

Virtual Tele-ED LMS  
(Asynchronous learning):

- Virtual Campus
- Virtual Learn
- Virtual CMS
- Virtual Exam

## Overview

Indian Institute of Remote Sensing, is a premier Training and Educational Institute for developing trained professionals in the field of Remote Sensing, Geoinformatics and GPS Technology for Natural Resources and Disaster Management. To support its regular operations and training in 2006, IIRS chose i-Grandee to establish e-learning portal for its online certification programs.

## Product solution

i-Grandee Virtual Tele-ED LMS has been implemented to set up the IIRS e-learning portal to cater to the requirement of conducting online certification courses with following major modules:

Home page, News, Announcement, Gallery, Circulars  
Discussion forum, Major events  
Courses list, fees and Admission procedure  
Login sessions for Portal Administrator, Course coordinator, Module coordinator, Faculty and Students  
Student Registration, Enrollment  
Courses, Syllabus, Course allocation and publishing  
Content upload, deployment  
Content viewing  
Reports, Tracking, Performance monitoring  
Exam Schedule, Announcement  
Feedback, Assignments  
Question bank creation, Template preparation, Question settings, Quiz  
Module access history
